## Love, don't be afraid to love and be loved in return . . .

# Don't be afraid to tell everyone you've learned . . .

# Love is a groovy thing — It knows how to make you sing

# And it fills up your life with sunshine and joy

# Don't be afraid to give all you've got to give

# One of these days you'll find that's the way to live

#### And living is what we all were put on this EARTH to do.

### So come on and live and be happy. Don't be afraid to love

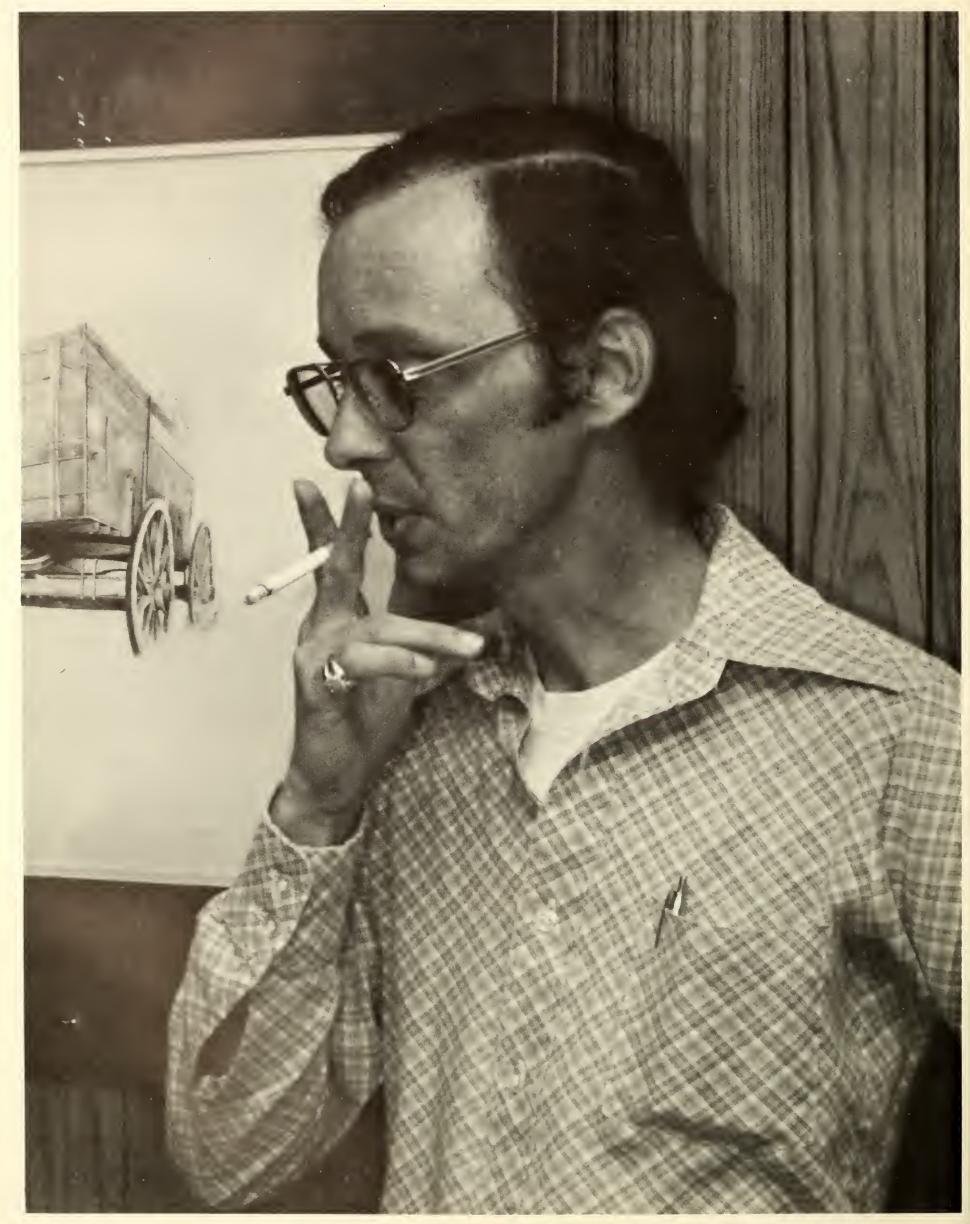

#### DEDICATION

Mr. Jon Whittington

To a man who has . . .

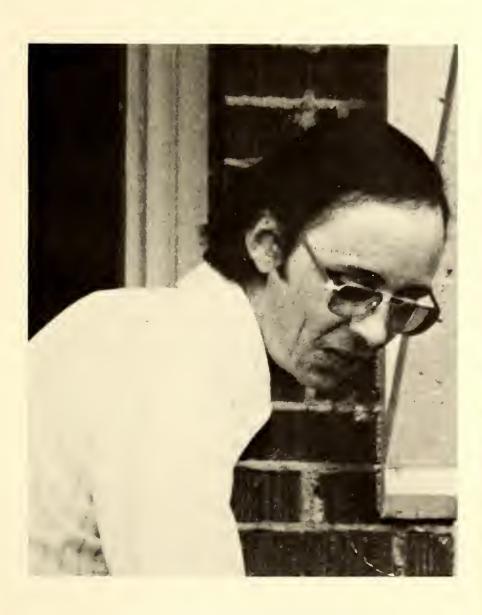

an intense personal interest in students a warm friendliness and true sense of humor the patience and consideration to explain.

To a man who is . . .

an excellent teacher
a source of inspiration
a loyal supporter of East Mississippi Junior College
a wise artist.

And the man who has . . . the will power and ideals a good campus needs.

We, the 1975 Annual Staff of East Mississippi Junior College proudly dedicate this annual to . . .

Mr. Jon Whittington

To The Class of 1975:

The administration, faculty, and staff are grateful that you chose East Mississippi Junior College as the beginning of your post-secondary education. We feel that this experience provides you with continued growth in two areas, character and education.

Character is established through experiences, contributions, and responsibility. Our program provides varied opportunities for this growth, and it teaches discipline and poise as you operate in a ''laboratory of life.''

The educational objective of East Mississippi Junior College is to prepare each individual to function in a changing society.

May I extend my best wishes to you as you explore the future.

Sincerely,

William E. Reeves
